Carrier to ASES Data Submissions
File Layouts

Version Changes

Version 2.0

CLAIMS Input File Layout - Removed

Removed

SERVICES Input File Layout - Removed

Removed

CLAIMSERVICES Input File Layout - Added

New layout that combines claims and services into one file.
New fields added to the layout.

NETWORK Input File Layout – Added

New layout for carrier network data.
New fields added to the layout.

Filename Change

Filenames for all data files have been changed to change 1 digit year to 2 digit year and to remove the region from the filename.

PUERTO RICO HEALTH INSURANCE ADMINISTRATION
Carrier to ASES Data Submissions
File Layouts

Data Validation Change

Data submitted must reconcile to control totals provided by carriers and will undergo a data audit to test for data quality issues. Monthly files that do not pass the reconciliation process and the data audit process will be rejected.

PUERTO RICO HEALTH INSURANCE ADMINISTRATION

NOTES

ASES file layouts ver. 2.0C for submission by Carriers for data generated from October, 2015 forward.

CLAIMS AND SERVICES FILES –

In the previous version of the layouts, a CLAIMS file and a detailed SERVICE file were used to represent claims. In version 2.0 of the layouts, only one file exists for both the header and detail portions of the claim, now referred to as the CLAIMSERVICES file. Records in the CLAIMSERVICES file have both the header and detail portions of the claim.

In addition to the merging of CLAIMS and SERVICES, a number of changes to the claims data layout have occurred, including the transaction processing methodology and the addition of several fields. Read carefully the section below on transaction handling for claims data.

CLAIMS TRANSACTION HANDLING –

The previous method of handling claim adjustments and reversals used a transaction code to completely replace a claim with a new claim. This method has been changed in this version of the layouts to more closely match existing claims processing systems and allow for adjustments to occur on different dates. All adjustments of an adjudicated claim line are now accepted in the CLAIMSERVICES file. Do not send claims that are in an open status, such as pended claims, held, rejected, or pre-adjudicated claims. Claims reversals and adjustments happen as follows:

Paid or Denied FFS Claims

Individual service lines are adjusted or reversed at the line level with additional adjustment services marked with a claim line status code of ‘A’ or ‘R’, while the original claim has a status code of ‘P’ for paid, ‘D’ for denied claims, or ‘E’ for encounter claims. The adjusted or reversed service may have the same claim ID and line number or may have the same claim ID and a different line number.

PUERTO RICO HEALTH INSURANCE ADMINISTRATION

Encounter Claims

Claims representing encounters have no allowed or paid amounts and are therefore not able to be adjusted monetarily. If an encounter needs to be updated to change any of the fields of the encounter, the adjusting claim must have a claim line status code (sv_stat field) of 'E' and the claim ID and service line number must be the same as the encounter being adjusted. Our process will remove the original encounter so that duplicate encounters will not be counted in the data.

PROVIDER IDS –

ASES is requesting that provider NPIs are populated in the NPI field on provider records to assist in provider attribution and reporting across all Carriers. ASES will still accept the carrier's own provider id as the provider ID for medical claims, but the additional field NPI shall be populated.

For pharmacy claims only

For pharmacy providers, only the NCPDP/NABP number is accepted as the provider ID. Carriers must include pharmacy providers in their provider files sent to ASES and the IDs must be consistent within the carriers' claims. In other words, a pharmacy should have one NCPDP/NABP number and that number should be the billing provider for all pharmacy claims. When claims are validated, the Billing Provider on the claim record will be validated against the Provider file and will be matched even if the provider is unique for the carrier.

PROVIDER TELEPHONE NUMBERS –

Provider Telephone remains a required field on the Provider Input Layout. In the event, and as an exception, if the carrier does not have the actual provider's telephone number they should insert their own (Carrier's) telephone number. This also applies to the IPA Work Phone field in the same way.

Note that all telephone number fields must be filled using only numbers. No spaces or ()- characters should be included. For example, the telephone number (939) 123-4567 will be coded in the data field as 9391234567

PUERTO RICO HEALTH INSURANCE ADMINISTRATION

CAPITATION AMOUNT –

The amount to be reported on capitation records must represent any costs associated with providing services which are not reported in claims and encounters. This may come from formal contracts with providers such as HCO/PCPs, or any other financial arrangement or allocation of costs.

The cap_amount field should represent a calculation which includes the earned capitation for the period less claims paid amounts, if any, chargeable against the provider risk. Other types of deductions which may be taken out of the provider's payment such as repayment of advances, retentions for reserves should not be included in the calculation.

The gross_cap_amount field should represent a calculation which includes the earned capitation for the period for each member (not the group average).

The net_cap_amount field should represent a calculation which includes the earned capitation for the period for each member (gross_cap_amount) less claims paid amounts, if any, chargeable against the provider risk. Other types of deductions which may be taken out of the provider's payment such as repayment of advances, retentions for reserves should not be included in the calculation.

Capitation records shall be provided for all members enroll in the PMG's regardless of their risk coverage. The risk coverage type will be identified with a new risk_type field.

CAPITATION ADJUSTMENTS –

There may be circumstances in which capitation payments which have already been reported, need in a later month to be adjusted or even reversed. To accomplish this, the Capitation records will behave differently than Claims and Services. The carrier will send a new record for the provider / member / experience date with an amount to be added or subtracted from the previously reported amount. If a capitation of \$10.00 is to be reversed then the new record should contain the same information as the original but with a new Capitation Date and a Capitation Amount of -\$10.00. Inside MedInsight the capitation for that Provider / Member for that particular date will be the aggregate of all the records and this example will result in \$0.00.

Note that, as Capitation net amounts for any particular record may be negative, a reversal in such a case would be a positive amount.

PUERTO RICO HEALTH INSURANCE ADMINISTRATION

DATA VALIDATION PROCESS –

All files will pass through a validation process. Validation will check the basic structure of the file and its records and may result in a file being rejected. Such rejections may be caused for example, by file names which fail to follow the naming convention, a file containing wrong length records or other basic tests.

All files which are rejected will be notified to the carrier with an explanation of why the file is rejected. No records from such a file will be retained in the system and the carrier will be required to re-submit the rejected file in its entirety before the next months files become due. Such re-submitted files must be carefully named using the sequence number part of the naming convention to ensure the name is distinct from the rejected file and is named in the correct order.

CLAIMS AND CAPITATION LAG REPORTS –

Carriers are required to submit claims and capitation payment reports, called lag reports, on a monthly basis. These reports will be used to reconcile the data submitted. Data that does not match the lag reports on paid amount within a reasonable percentage will be deemed invalid and must be corrected. The lag reports submitted by the carrier will be considered to be financially accurate and may be used for other purposes, including negotiations or other financial analyses. Therefore, it is in the carrier's best interests to produce lag reports that are either from another source that the actual files that are submitted, or to verify that the lag reports tie to financial reports.

The required claims lag reports need to be an excel file with the following characteristics:

1. Claims paid amounts by region, incurred month, paid month, and claim type (medical, pharmacy and dental) for claims.
2. The report must include at least all paid and incurred months going back 2 full years prior to the month the report is run.
3. Naming of the claims lag reports should be as follows:

CLAIMLAG_ccyyymm.xls(x)

Where:

Characters 1-9	Always	"CLAIMLAG_"
Characters 10-11	cc	= Carrier Code (See attachment II)
Characters 12-13	yy	= Last two digits of year
Characters 14-15	mm	= Month – last full paid month in the lags.

Carrier to ASES Data Submissions
File Layouts

PUERTO RICO HEALTH INSURANCE ADMINISTRATION

Character 16 Always “.”

Characters 17-19(20) Extension code for excel file, can be xls or.xlsx depending on Excel version.

An example of how the claims lag report data should look for claims is as follows:

Claim Type	Region	Incurred Month	Paid Month	Paid Amount
Medical	East	201101	201101	50,823.43
Medical	South	201101	201102	45,534.00
Medical	North	201101	201103	986,796.36
Pharmacy	East	201101	201101	686.89
Pharmacy	South	201101	201102	2,342.22
Dental	North	201101	201103	780,989.16
...	...	...	...	...

The required capitation lag reports need to be an excel file with the following characteristics:

1. Capitation paid amounts by region, capitation experience month, paid month
2. The report must include at least all paid and experience months going back 2 full years prior to the month the report is run.
3. Naming of the capitation lag reports should be as follows:

CAPLAG_ccyyymm.xls(x)

Where:

Characters 1-7 Always “CAPLAG_”

Characters 8-9 cc = Carrier Code (See attachment II)

Characters 10-11 yy = Last two digits of year

Characters 12-13 mm = Month – last full paid month in the lags.

Character 14 Always “.”

Characters 15-17(18) Extension code for excel file, can be xls or.xlsx depending on Excel version.

An example of how the capitation lag report data should look for claims is as follows:

Carrier to ASES Data Submissions
File Layouts

PUERTO RICO HEALTH INSURANCE ADMINISTRATION

Region	Incurred Month	Paid Month	Capitation Paid Amount
East	201101	201101	5,023.43
South	201101	201102	4,534.00
North	201101	201103	98,796.36
East	201101	201101	66.89
South	201101	201102	242.22
North	201101	201103	70,989.16
...	...	...	...

PRIMARY CARRIER ID –

The *Primary Carrier ID* field in the ClaimServices Input File Layout identifies the entity (MBHO, Sub Contractor Entity, or TPA) which provides services to the enrollees throughout a special or capitated financial arrangement. Another field called *Carrier ID* field contains the ID of the carrier directly contracted with ASES and the one generating the ClaimServices Input File. The ClaimServices Input File will contain the same value in the *Carrier ID* and *Primary Carrier ID* fields when the carrier generating the ClaimServices Input File is the carrier providing services to the enrollees. If this entity does not have an assigned carrier ID from ASES, the *Primary Carrier ID* can be filled in with one of the following 4 default values that represents the type of entity:

- MH – Mental Health
- VS – Vision
- DN – Dental
- OT – Other/Unknown

ATTENDING PROVIDER –

The validation rules for Attending Provider have been changes to remove the requirement that the value match a valid provider (i.e. a provider code reported by the carrier in its Provider file). The field is still required.

MUNICIPALITY SERVICE –

PUERTO RICO HEALTH INSURANCE ADMINISTRATION

Recognizing that claims may be processed for services outside of Puerto Rico, code 0666 is included in the list of Municipality Codes. This value is valid only for use in the field Municipality Service on the Claims Input File. This value should be used only when services are paid for outside of Puerto Rico.

General Notes on data layout requirements

Date Fields - All date fields in the following data layout are defined to the same size and format as YYYYMMDD. An 8 byte field where YYYY = 4 digit year, MM = 2 digit month and DD = 2 digit day. 1 digit month and day values must always have the leading zero (0). Date fields must contain a valid date with months between 01 and 12 and days between 01 and maximum day in month. July 1, 2006 will be coded as 20060701.

Amount Fields – All amount fields representing money must be numeric and are defined as 9 bytes in the format s9(7)v99 where v represents and implied decimal point. This allows a maximum of 7 digits for dollars plus the last two digits for cents. These numbers are always right justified and zero filled to the left. As examples:

\$1.23 will be coded as	000000123
\$100.00 will be coded as	000010000

All amount fields are positive and follow the above definition unless clearly specified otherwise.

End of Record Filler – All file layouts have been designed to end with a filler field of 1 byte which must always be coded as an “*” character. This is done to avoid issues between different systems when generating and transferring ASCII files in which ending field may be empty. The fixed End of Record Filler guarantees that all records in a file can be constructed to the fixed length format as defined in the layouts.

Justification and filling of Fields – The layouts have all been specified to provide fixed length fields and fixed length records. While other methods can be used, it is felt that this provides the best common ground for working with multiple entities each of which uses varying systems. To be sure everyone understands the same about the comments on justification and filling the following examples are given to help keep this concept clear.

PUERTO RICO HEALTH INSURANCE ADMINISTRATION

All numeric fields must be filled completely with numeric digits. If there are exceptions these are clearly spelled out in the documentation of the layouts. Typically numeric field are right justified and to keep them numeric must be zero filled. In a field specified as numeric such as s9(7)v99 the following conventions apply:

- s - Leading sign
- 9(7) - 7 decimal digits
- v - Implied decimal point
- 99 - 2 digits after the implied decimal point

The following examples illustrate how data will look in the field:

Value	Field
12.50	000001250
101	000010100
1,234.56	000123456
1,000,000	100000000
-1,234.56	-00123456

PUERTO RICO HEALTH INSURANCE ADMINISTRATION

All alphanumeric fields must be filled completely. If the value of data in the field is less than the width of the field then care must be taken to ensure that the field is filled with blanks. Allowing “NULLS” or other special characters through may cause unexpected results and make reading, loading and validation of the data difficult. Typically alphanumeric fields are left justified and filled to the right with blanks to complete the field. In a field specified as alphanumeric such as X(20) the following examples illustrate how data will look in the field where the [] characters represent the start and end of the field –

<u>Value</u>	<u>Field</u>
P.R.	[P.R.]
José Rivera	[José Rivera]
blanks	[]
(Metro-North Region)	[(Metro-North Region)]

References to CMS 1500 and UB-04 – All references to CMS 1500 or UB-04 in this document are for convenience and correspond equally to equivalent electronic formats and will apply equally to the next version of CMS 1500 or the UB-04 when implemented.

MPI Number fields – In all files in which MPI Number is required, carriers should code all 9s if the MPI is unknown. This should not be true for any current beneficiary. This exception will continue until such time as ASES determines that the issue of MPI being unavailable has disappeared from historical data. For Government Employee MPI should be filled with Contract Number.

Data File Naming Convention

All data files to be delivered to ASES by the carriers must follow the naming conventions below. Files which do not fit the naming convention will be ignored and the carrier deemed to have failed in delivery of such a file.

File names must adhere strictly to this naming convention as the structure includes information for identification of the carrier, dates and file type. If not named correctly the file cannot be processed properly.

PUERTO RICO HEALTH INSURANCE ADMINISTRATION

The general format of file names will be –

Dccyymmms.fff		
Where:	Character 1	Always “D”
	Characters 2-3	cc = Carrier Code (See attachment II)
	Character 4-5	yy = Last two digits of year
	Characters 6-7	mm = Month
	Character 8	s = sequence number of file submission.
	All submission start with s = 0 and continue in numeric if files are re-submitted to 9	
	If files must be re-submitted beyond 9, then alphabetic characters will be used a, b, c ...	
	Character 9	Always “.”
	Characters 10-11	Extension code identifying type of file
	CLM for	CLAIMSERVICES
	PRV for	PROVIDERS
	IPA for	IPA
	CAP for	CAPITATIONS
	NET for	NETWORK

Files are always dated for the month being reported. For example, when sending claims paid in September 2013 the **yyymm** part of the file name will be **1309** while the file will be sent to ASES in October.

PUERTO RICO HEALTH INSURANCE ADMINISTRATION

Examples of completing this naming convention are –

For imaginary carrier 96 in the files for ClaimServices and payments in April 2013 will be named as follows –

ClaimServices	D9613040.CLM
Providers	D9613040.PRIV
IPA	D9613040.IPA
Capitation	D9613040.CAP
Network	D9613040.NET

When the Capitation file is rejected, the corrected file will be re-submitted as
D9612041.CAP

PUERTO RICO HEALTH INSURANCE ADMINISTRATION

CLAIMSERVICES INPUT FILE LAYOUT

#	Field	Name	Description	Deliverable Data Format	Validation Rules
1	carrier_id	Carrier ID	Value that identifies carrier which is reporting claims. Must be a valid code. See Carrier Code List in Attachment II	99	Required Must be two (2) digits (numeric). Must equal a valid Carrier ID as assigned by ASES.
2	region_code	Region Code	Region of member as defined by ASES Regions are identified as: "A" = North "B" = Metro-North "E" = East "F" = North-East "G" = South-East "Z" = West "J" = San Juan "S" = South-West "P" = SPECIAL "X" = All Regions	X	Required Must be valid ASES Region code
3	plan_type	Plan Type	ASES defined Plan Type 01 = GHIP 02 = MA-SNP 03 = MA-PD 04 = Law 95 Commercial 05 = Law 95 Advantage	XX	Required Must equal "01", "02", "03", "04", "05" Value "01" must correspond to a GHIP carrier or to an MBHO, PBM, or other assigned carrier code which is not Medicare Platino. Values of "02" or "03" must correspond to Medicare Platino Carrier ID. Values of "04" or "05" must correspond to government employee Carrier ID.

Carrier to ASES Data Submissions
File Layouts

PUERTO RICO HEALTH INSURANCE ADMINISTRATION

#	Field	Name	Description	Deliverable Data Format	Validation Rules
4	contract_type	Contract Type	Contract type to distinguish multiple plans within Plan Type. For government employee claims indicates contract type: 1 = Family 2 = Couple 3 = Individual 4 = Optional Dependent	X	Required for Plan Type "04" and "05" (Government Employee) Not required for Plan Type "01", "02", or "03".
5	claim_id	Claim ID	Unique Identification number within Carrier with the addition of the claim_parent. May be Carrier's Internal Claim Identification number. This number is used to avoid duplicated Claims, but allows multiple service lines within the same claim.	X(20)	Required Left justified, blank filled to 20 characters if value is less than 20 characters.
6	Sv_line	Service Line Number	Number identifying individual service within a given claim.	XXXXX	Required Must be a maximum of 5 digits. ID of the Service Line within the Claim ID. Duplicates within Claim ID and Service Line Number on the same submission will be considered errors (the combination of the claim_id plus the service_line_no must be unique within the carrier).
7	bill_type	Bill Type	Originating bill type – U=UB-04 / Institutional H=HCFA/CMS1500 / Individual / Professional P=Pharmacy Claim D=Dental Claim	X	Required Must equal "U", "H", "P" or "D"

Carrier to ASES Data Submissions

PUERTO RICO HEALTH INSURANCE ADMINISTRATION

#	Field	Name	Description	Deliverable Data Format	Validation Rules
8	ub_bill_type	UB Type of Bill	Type of Bill on the UB claim form. The type of bill encodes facility type, bill classification, and description.	XXX	Required for all claims submitted on Uniform Bill (UB) claim form. When present, must be one of the standard three digit codes as described in the National Uniform Billing Committee (NUBC) UB-04 data specifications manual.
9	sv_stat	Claim Line Status	Indicates payment action on the service represented by this record. P= Paid D=Denied A=Adjustment R=Reversal E=Encounter	X	Required Must equal "P", "D", "A", "R" or "E" If value is "E", service will have zero Paid Amount.
10	adm_date	Admit Date	For UB-04 claims this is the date of admission. For other claims this is the Service From Date of the earliest service.	YYYYMMDD	Required Must be a valid date
11	dis_date	Discharge Date	For UB-04 claims this is the date of discharge. For other claims this is the Service To date of the latest service.	YYYYMMDD	Required Must be a valid date Must be equal or later than Admit Date
12	from_date	Service From Date	Begin date of the treatment.	YYYYMMDD	Required Must be a valid date.
13	to_date	Service To Date	End date of the treatment.	YYYYMMDD	Required Must be a valid date Must be on or after Service From Date

PUERTO RICO HEALTH INSURANCE ADMINISTRATION

#	Field	Name	Description	Deliverable Data Format	Validation Rules
14	paid_date	Payment Date	For an Encounter, this will be the date the transaction is processed by the carrier. For non-encounters, this will be the date of payment for paid claims or the process date for denied claims.	YYYYMMDD	Required Must be a valid date Must be on or after Service To Date
15	rec_date	Received Date	Date when claim was received in carrier in YYYYMMDD format	YYYYMMDD	Required Must be a valid date Must be equal or greater than Discharge Date
16	entry_date	Entry Date	Date when claim was entered into the carrier's system. YYYYMMDD format.	YYYYMMDD	Required Must be a valid date Must be equal or greater than Received Date
17	extract_date	Extract Date	Date on which record is originally extracted from Carrier's system to create the Claims Input File.	YYYYMMDD	Required Must be a valid date Must be later or equal to any other date field on record
18	mpi	MPI Number or Contract Number	Master Patient Index (MPI) As supplied in ASES Eligibility Data For government employee this will be the contract number	X(13)	Required Must be a valid MPI number For government employee only, contract number Must be left justified, blank filled to the right

PUERTO RICO HEALTH INSURANCE ADMINISTRATION

#	Field	Name	Description	Deliverable Data Format	Validation Rules
19	primary_center	Primary Center	Identify the Primary Care Center (IPA/HCO) of the member. Code as assigned by the carrier.	X(10)	Must be present on all claims of Plan Type 01 May be present on claims of other Plan Types When present it indicates the Primary Care Center (IPA/HCO etc.) of the member. Must be left justified and blank filled to complete the field. Must be found on the IPA table matched by <u>Carrier ID</u> and IPA.
20	ssn_mainh	HOH Social Security	Social Security number of Head of Household (HOH) of family. This is available from the Family record in ASES eligibility data sent to carriers.	X(9)	Required Must be all numeric Must be a full 9 digits
21	ssn	Patient Social Security	Social Security Number of member	X(9)	Required Must be all numeric Must be a full 9 digits
22	member_suffix	ASES Member Suffix	Identifies the beneficiary within the family group. <u>Must be the two digit member suffix as supplied in ASES Eligibility data.</u>	99	Required Must be ASES Assigned member suffix All numeric value 01 to 99
23	patient_name	Patient Name	Member Name	X(30)	Required Must be left justified, blank filled to the right
24	family_id	ASES Family ID	Family ID as supplied in ASES Eligibility data.	X(11)	Required ASES / ODSI Family ID Alphanumeric full 11 characters For government employee use SSN Main Holder. Must be left justified, blank filled to the right

17	risk_type	MPI Risk Type	Distinguishes for this service whether risk belongs to PCP(/Group) or carrier. If cost should be charged to PCP(/Group) then value = "PCP" Otherwise value = "CAR" (Carrier). Where there is no risk sharing the value should be entered as "CAR".	XXX	Required Must be filled Must be "PCP" or "CAR" For PBM the only value should be "UNK"
18	tier	Member capitation tier	Member capitation tier 0001 Medicare A&B Male 0002 Medicare A Male 0006 Medicare A&B Female 0007 Medicare A Female 0008 0-11 Months 0009 12-23 Months 0010 24 Months - 10 Years 0011 11 - 18 Years 0024 19 - 35 Female 0025 19 - 35 Male 0026 36 - 54 Female 0027 36 - 54 Male 0028 55 - 64 Female 0029 55 - 64 Male	X(4)	Required
19	days	Capitation days	Number of days included in capitation amount.	99	Required
20	mem_percent	Capitation percentage	Percentage (days / month days)	999	Required
21	extract_date	Extract Date	Date on which record is originally extracted from Carrier's system to create the Capitation Input File.	YYYYMMDD	Required Must be a valid date Must be later or equal to any other date field on record
22	mpi	MPI Number	Master Patient Index (MPI) As supplied in ASES Eligibility Data	X(13)	Required Must be a valid MPI number
23	filler	End of Record Filler	Fixed filler with "**"	X	Required Must be = "**"
RECORD LENGTH				170	

Carrier to ASES Data Submissions
File Layouts

NETWORK INPUT FILE LAYOUT

	Field	Name	Description	Deliverable Data Format	Validation Rules
1	Carrier	Carrier ID	ASES assigned carrier code. Must be (2) digits (numeric)	99	Required Must be two (2) digit s (numeric). Must equal a valid Carrier ID as assigned by ASES.
2	Provider_Type	Provider Type	PCP, Specialist, Dentist, X-Ray, Ancillary Services, Special Case, Laboratory, Other Facility, Hospital	X(20)	Required Must be left justified, blank filled to the right
3	Month	Month	Date field with the first day of month. Ex: 5/1/2014	YYYYMMDD	Required Must be a valid date.
4	Region	Region	The ASES region code. (If the provider has multiple locations specify the Region for current address) Regions are identified as: "A" = North "B" = Metro-North "E" = East "F" = North-East "G" = South-East "Z" = West "J" = San Juan "S" = South-West "P" = SPECIAL	X	Required
5	PMG	IPA Code	The identification number of the primary medical group. If not applicable enter "N/A". Code assigned by carrier to identify IPA/HCO. Maximum of 4 characters	X(4)	Required IPA/HCO code assigned by Carrier Must be left justified, blank filled to the right
6	PMG_Name	PMG Name	The name or title of the primary medical group.	X(80)	Required
7	NPI	NPI	The national provider identification number. All providers are required to have an NPI number.	X(10)	Required
8	Provider Duplicate_Entry	Provider Duplicate Entry	Indicate if the provider is entered multiple times in the list. A provider may be entered multiple times if the provider has more than one office location providing services. Enter a "0" for the first entry of the provider in the list. Enter an "X" for any duplicate entries of the same provider in the list.	X	Required

Carrier to ASES Data Submissions
File Layouts

NETWORK INPUT FILE LAYOUT

	Field	Name	Description	Deliverable Data Format	Validation Rules
9	Assigned_Lives	Assigned lives	The number of assigned lives to the provider as of the last day of the reporting period. If the provider has multiple office locations, the number of assigned lives must be entered for the first entry (not a duplicated entry) for the provider. This number should include the sum of all office locations of the provider. If the provider does not have or require assigned lives, enter "0" in this column.	9999	Required
10	Credential	Credential	Identify if the provider is up to date with all credentialing requirements as of the last day of the reporting period. Enter "Yes" for a fully credentialed/recredentialed provider, enter "No" if the provider requires credentialing/recredentialing. If the provider is not required to submit credentialing/recredentialing, enter "N/A" in this column.	XXX	Required
11	Credential_Eff_Date	Credential Effective Date	The most recent credentialing/recredentialing date of the provider. If the provider does not require credentialing, enter "1/1/1900" in this column.	YYYYMMDD	Required
12	Credential_Exp_Date	Credential Expiration Date	The most recent credentialing/recredentialing expiration date of the provider. If the provider does not require credentialing, enter "1/1/1900" in this column.	YYYYMMDD	Optional
13	Federal_Tax_ID	Provider SSN or EIN	The federal identification number of the provider. If the provider does not have a federal identification number, enter "N/A" in this column. SSN for individuals, EIN for entities.	X(20)	Required Left justified, blank filled to the right Must be 9 digits in significant positions
14	Prov_ID	Provider ID	Provider ID as assigned by carrier <i>SEE NOTES – Changes and Additions in Data File Layouts: PHARMACY PROVIDER IDs</i>	X(20)	Required Must be left justified and blank filled to the right
15	CCN	CCN	CMS Certification Number formerly known as the Medicare Provider Number.	X(20)	Optional

ATTACHMENT IV - PLACE OF SERVICE CODES

CODE	Name	Description
11	Office	Location, other than a hospital, Skilled Nursing Facility (SNF), military treatment facility, community health center, State or local public health clinic, or Intermediate Care Facility (ICF), where the health professional routinely provides health examinations, diagnosis, and treatment of illness or injury on an ambulatory basis.
12	Home	Location, other than a hospital or other facility, where the patient receives care in a private residence.
13	Assisted Living Facility	Congregate residential facility with self-contained living units providing assessment of each resident's needs and on-site support 24 hours a day, 7 days a week, with the capacity to deliver or arrange for services including some health care and other services.
14	Group Home	A residence, with shared living areas, where clients receive supervision and other services such as social and/or behavioral services, custodial service, and minimal services.
15	Mobile Unit	A facility/unit that moves from place-to-place equipped to provide preventive, screening, diagnostic, and/or treatment services.
16-19	Unassigned	N/A
20	Urgent Care Facility	Location, distinct from a hospital emergency room, an office, or a clinic, whose purpose is to diagnose and treat illness or injury for unscheduled ambulatory patients seeking immediate medical attention.
21	Inpatient Hospital	A facility, other than psychiatric, which primarily provides diagnostic, therapeutic (both surgical and nonsurgical), and rehabilitation services by, or under, the supervision of physicians to patients admitted for a variety of medical conditions.
22	Outpatient Hospital	A portion of a hospital, which provides diagnostic, therapeutic (both surgical and nonsurgical), and rehabilitation services to sick or injured persons who do not require hospitalization or institutionalization.
23	Emergency Room - Hospital	A portion of a hospital where emergency diagnosis and treatment of illness or injury is provided.

PUERTO RICO HEALTH INSURANCE ADMINISTRATION

ATTACHMENT IV - PLACE OF SERVICE CODES

CODE	Name	Description
24	Ambulatory Surgical Center	A freestanding facility, other than a physician's office, where surgical and diagnostic services are provided on an ambulatory basis.
25	Birthing Center	A facility, other than a hospital's maternity facilities or a physician's office, which provides a setting for labor, delivery, and immediate post-partum care as well as immediate care of newborn infants.
26	Military Treatment Facility	A medical facility operated by one or more of the Uniformed Services. Military Treatment Facility (MTF) also refers to certain former U.S. Public Health Service (USPHS) facilities now designated as Uniformed Service Treatment Facilities (USTF).
27-30	Unassigned	N/A
31	Skilled Nursing Facility	A facility, which primarily provides inpatient skilled nursing care and related services to patients who require medical, nursing, or rehabilitative services but does not provide the level of care or treatment available in a hospital.
32	Nursing Facility	A facility which primarily provides to residents skilled nursing care and related services for the rehabilitation of injured, disabled, or sick persons, or, on a regular basis, health-related care services above the level of custodial care to other than mentally retarded individuals.
33	Custodial Care Facility	A facility which provides room, board and other personal assistance services, generally on a long-term basis, and which does not include a medical component.
34	Hospice	A facility, other than a patient's home, in which palliative and supportive care for terminally ill patients and their families are provided.
35-40	Unassigned	N/A
41	Ambulance - Land	A land vehicle specifically designed, equipped and staffed for lifesaving and transporting the sick or injured.
42	Ambulance - Air or Water	An air or water vehicle specifically designed, equipped and staffed for lifesaving and transporting the sick or injured.
43-48	Unassigned	N/A

ATTACHMENT IV - PLACE OF SERVICE CODES

CODE	Name	Description
49	Independent Clinic	A location, not part of a hospital and not described by any other Place of Service code, that is organized and operated to provide preventive, diagnostic, therapeutic, rehabilitative, or palliative services to outpatients only.
50	Federally Qualified Health Center	A facility located in a medically underserved area that provides Medicare beneficiaries preventive primary medical care under the general direction of a physician.
51	Inpatient Psychiatric Facility	A facility that provides inpatient psychiatric services for the diagnosis and treatment of mental illness on a 24-hour basis, by or under the supervision of a physician.
52	Psychiatric Facility Partial Hospitalization	A facility for the diagnosis and treatment of mental illness that provides a planned therapeutic program for patients who do not require full time hospitalization, but who need broader programs than are possible from outpatient visits to a hospital-based or hospital-affiliated facility.
53	Community Mental Health Center	A facility that provides the following services: • Outpatient services, including specialized outpatient services for children, the elderly, individuals who are chronically ill, and residents of the CMHC's mental health services area who have been discharged from inpatient treatment at a mental health facility. • 24 hour a day emergency cares services. • Day treatment, other partial hospitalization services, or psychosocial rehabilitation services. • Screening for patients being considered for admission to State mental health facilities to determine the appropriateness of such admission. • Consultation and education services.
54	Intermediate Care Facility/Mentally Retarded	A facility which primarily provides health-related care and services above the level of custodial care to mentally retarded individuals but does not provide the level of care or treatment available in a hospital or SNF.

PUERTO RICO HEALTH INSURANCE ADMINISTRATION

ATTACHMENT IV - PLACE OF SERVICE CODES

CODE	Name	Description
55	Residential Substance Abuse Treatment Facility	A facility, which provides treatment for substance (alcohol and drug) abuse to live-in residents who, does not require acute medical care. Services include individual and group therapy and counseling, family counseling, laboratory tests, drugs and supplies, psychological testing, and room and board.
56	Psychiatric Residential Treatment Center	A facility or distinct part of a facility for psychiatric care, which provides a total 24-hour therapeutically, planned and professionally staffed group living and learning environment.
57	Non-residential Substance Abuse Treatment Facility	A location which provides treatment for substance (alcohol and drug) abuse on an ambulatory basis. Services include individual and group therapy and counseling, family counseling, laboratory tests, drugs and supplies, and psychological testing.
58-59	Unassigned	N/A
60	Mass Immunization Center	A location where providers administer pneumococcal pneumonia and influenza virus vaccinations and submit these services as electronic media claims, paper claims, or using the roster billing method. This generally takes place in a mass immunization setting, such as, a public health center, pharmacy, or mall but may include a physician office setting.
61	Comprehensive Inpatient Rehabilitation Facility	A facility that provides comprehensive rehabilitation services under the supervision of a physician to inpatients with physical disabilities. Services include physical therapy, occupational therapy, speech pathology, social or psychological services, and orthotics and prosthetics services.
62	Comprehensive Outpatient Rehabilitation Facility	A facility that provides comprehensive rehabilitation services under the supervision of a physician to outpatients with physical disabilities. Services include physical therapy, occupational therapy, and speech pathology services.
63-64	Unassigned	N/A
65	End-Stage Renal Disease Treatment Facility	A facility other than a hospital, which provides dialysis treatment, maintenance, and/or training to patients or caregivers on an ambulatory or home-care basis.
